Easter Craft Contest

STEP 1
- Use a paper plate OR cut out a circular piece of paper. The outside should be about 9 inches in diameter. Remember to cut out the inside to make it look like a donut. (see picture on right)

STEP 2
- Draw a 3 to 4 inch egg and cut, use that as your outline for the rest of your eggs. You need about 12 eggs.

STEP 3
- Decorate each egg as you would like. Creativity is the key!

STEP 4
- Glue or tape your eggs around your paper plate or your circular piece of paper to create the wreath.
- Make sure to overlap each egg a little bit. (see picture on right)

STEP 5
- Poke a hole where you want the top of your wreath to be located.

STEP 6
- Pull a ribbon or a string through and making sure you tie a bow covering the hole you made.

Things you will need:
- Paper plate
- Paper (any color)
- Glue or tape
- Ribbon or Yarn
- Scissors

FINAL STEPS
- Take a picture of your wreath.
- Submit your picture with the number of adults and kids who complete the wreath together (for funding purpose). Please email to CERRITOS@APCTC.ORG on or before April 15th, 2020

By submitting an entry you agree to allow APCTC to post your picture on social media and on APCTC.ORG

WINNERS will be announced on April 17th

Please visit our agency website - apctc.org to view the winners.
