Job Announcement

Psychiatric Social Workers – Associate Marriage Family Therapists Bilingual Korean

APCTC is a private, non-profit, community based mental health clinic with over 30 years of service to the Asian Pacific Islander community in Los Angeles County. Asian Pacific Counseling & Treatment Centers is a division of Special Service for Groups (SSG) and was the very first mental health center in LA County specifically developed to meet the unique needs of rapidly growing numbers of API immigrants and refugees who were in need of a wide range of mental health services. While our centers specialize in serving the monolingual Asian Pacific community, we provide services to the entire community and offer services in English and Spanish as well.

APCTC has a full-time therapist position at our **Main Center location (520 S. Lafayette Park Place #300, Los Angeles, CA 90057)**. The candidate must be **Korean**. The therapist will be working with various age groups ranging from children to adults who have moderate to persistent mental illness.

Responsibilities: Under the guidance of the Program Manager and Clinical Supervisor, the PSW I/AMFT has primary clinical responsibilities in providing individual, group and family counseling, intake assessment, crisis intervention, outreach and referral services at our clinic, school-sites, board and care facility, client's home or facilities where clients reside. Depending on program assignment, there will be close collaboration with relevant parties, such as school staffs, GAIN workers, DPSS workers, DCFS workers, Probation officers, Regional Center workers, family members, board and care facility, etc. The candidate must be reliable to independently manage himself or herself in the field and communicate efficiently with the treatment team, supervisors and managers.

Requirements: Candidate must have Master's Degree in Social Work or Marriage and Family Therapy from an accredited college or university. We are looking for candidates who have a passion to help under-served ethnic populations and interested in gaining experience in the mental health field. The candidate must have knowledge using the DSM-V and able to adapt to change in fast-paced and supportive team focused work environment. Candidate must have a valid registration with BBS and have a valid California driver license and reliable transportation. The candidate **MUST be fluent in Korean**. All other candidates ok to apply. Knowledge of LAC-DMH and CalWORKs paperwork are highly preferred.

Pay & Benefits: DOE. Pay is competitive plus mileage reimbursement. SSG/APCTC includes a generous benefits package with medical, dental, vision, long term disability, group and term life insurance, defined pension plan, 403B, paid sick, vacation and holiday time. We support licensure of staff and provide on-going supervision by licensed clinicians.
