

Asian Pacific Counseling & Treatment Centers

Asian Pacific Counseling & Treatment Centers (a Division of Special Service for Groups) is a contract-agency of the Los Angeles County Department of Mental Health. With five locations throughout Los Angeles County, APCTC staffs provide mental health services to clients of all ages with mental illness and behavioral health challenges. While our centers specialize in serving the monolingual Asian Pacific community, we provide services to the entire community and offer services in English and Spanish as well.

APCTC has full time **Clinical Therapists and Case Manager** positions open across our Centers. Depending on program assignment, the Clinician or Case Manager will be working with various age groups ranging from children to older adults with moderate to severe mental illness. The candidate must be able to adapt to change and work well with a multi-disciplinary team. We are recruiting candidates who are committed to helping under-served ethnic groups and interested in strengthening their clinical skills and knowledge through our supportive and dedicated work environment.

Minimum Requirements:

Clinician – Responsible for providing mental health services including therapy, rehab and treatment plan development. Registered with BBS as an ACSW or AMFT, ability to work with all age groups, familiar with DSM-V and ICD-10, knowledge of Los Angeles County-DMH paperwork preferred. Depending on program assignment, Clinician may be required to provide 24-hour emergency psychiatric coverage for clients under our Full Service Partnership (FSP) Programs. Driver's license and proof of insurance required. Positions open serving Children/Transitional Age Youth and Adult/Older Adult populations.

Case Manager – Provides linkage services to clients to access medical, education, social, prevocational, rehabilitative or other community services. Ability to work with a treatment team and function independently in the field. Depending on program assignment, the Case Manager may be required to provide 24-hour emergency psychiatric coverage for clients under our Full-Service Partnership (FSP) Programs. Driver's license and proof of insurance required. Positions open serving Children, Transitional Age Youth and Adult/Older Adult populations. Bachelor's degree from an accredited university or college required.
